Suggestions

- The conduct of entry level tests have to be completed with exit test to assess the progress of the students.
- Result analysis has to be performed for internal tests and model examination and soft copy could be shared with all faculty.
- Feedback by students on teachers' teaching could be collected towards the end of each semester.
- The applications submitted towards allocation of government / non - government (ICSSR, TANCHE) research projects should be preserved.
- The number of students participated and involved in the organisation of various events could be documented.
- Students could be encouraged to create blog for uploading their e-content and all the activities during the course which can be treated as student's diary.
